ABOUT

Bethany joined the Hood-Rich Architecture team in 2012. She has a background in graphic design with experience in various mediums of design such as; logo/identity, editorial, website, wall graphics and much more. She was previously Art Director for a local magazine in Springfield, Missouri where she was head of all print and design. Currently, she is the Marketing Designer for Hood-Rich Architecture. Here, she designs all marketing materials for Hood-Rich including; business cards, brochures, website, qualification packages and more. She also takes on new graphic related client projects whenever needed.
