ABOUT

Michael Clotfelter recently joined Hood-Rich Architecture as a project architect. He has over ten years experience practicing in the field and has worked on a variety of projects which include; banks, churches, libraries, hotels, theaters, museums and medical facilities.

Michael is a hard worker and enjoys creating successful projects for clients. He excels as a team player and is great at collaborating with designers, engineers, contractors, and other team members throughout the design and construction process. Along with architecture, Michael has experience in communication and management that he gained from leading his family business, Bestway Moving & Storage, Inc.
