### ABOUT

---

Pat recently joined Hood-Rich Architecture and brings with her over 30 years of experience in the practice of architecture. Pat has worked on a variety of project types including schools, hotels, historic renovations, medical facilities, and commercial offices. Her personality and attention to detail makes her an excellent project manager for our team.

Pat enjoys working with clients, engineers, and other architects to find real design solutions for her projects. Her focus on process and detailing is what distinguishes her from others. Pat is warm and inviting which makes her a joy to be around. She has a practical approach to design and keeps her client's needs at the forefront of her design approach. She is an effective leader and excels at being organized.

Pat believes that family is important and she treats everyone with respect. She has a hunger for knowledge, and enjoys the process of teaching and learning from others in the office. These are just a few of the reasons we are proud to have her as a part of our team.
