### ABOUT

Ryan joined Hood-Rich in May 2008. His experience includes the design of colleges, municipal facilities, churches, loft apartments, financial institutions, urban renewal, and street scape improvements.

He also has experience with facilitating public forums and town hall meetings as well as obtaining tax credits and landmarks board approval for historic restoration projects. His responsibilities at Hood-Rich include: programming and preliminary architectural design, code research, materials research, preparation of construction documents and specifications, and coordination with clients, engineering consultants, and contractors.
